## Chapter 121

"Are you blind as an old woman?" Said old Mrs. Jiang in a cold voice.

Jiang Mei is smart. How could she have such a stupid daughter!

Gu Mocheng, old lady Jiang has seen it. She said she did. Is there any fake?

Su Zihan was drunk by the old lady and cried even more. Jiang Mei comes forward and holds Su Zihan's hand.

"Zihan, stop talking."

The man in front of su'an is Gu Mocheng. Old lady Jiang said yes, absolutely.

It's just that I've never heard that Gu Mo grew up so good-looking. It's not the ugly monster in the rumor.

Su'an is not comfortable being stared at by old lady Jiang. There are so many people here. Most of all, she is hungry.

She reached for Gu Mocheng and said, "honey, I'm hungry."

"Let's go to dinner."

Gu Mocheng, who had a cold face, heard su'an's voice and softened his expression. He looked at su'an and nodded, "yes."

Like a person, the eyes can not deceive people.

Old lady Jiang saw Gu Mo's intention for Su An'an. She always thought that Gu Mocheng would not marry for that man for life. Unexpectedly, she found a young Su an who was ten years younger than her own, and she loved him very much.

"Mr Gu, forget the old man so quickly."

Old Mrs. Jiang smiled and reminded Gu of what happened before.

Gu Mocheng holds su'an's hand. He says to everyone here, "this is su'an, Gu Mocheng's wife."

In this hall, there are old Mrs. Jiang, Mei Jiang and a group of journalists.

Gu Mocheng rarely appeared in front of media reporters. Gu sent people to attend the public activities. This time, Gu Mocheng not only stood in front of the camera, but also held a woman's hand and told everyone that this was his wife.

www.onlinefreenovels.com

His meaning is clear. Suan is his wife. He has to protect her all his life.

"Whoever bullies my wife is against me." When he said this, Gu Mocheng deliberately looked at old lady Jiang.

Gu Mocheng leads Su An'an to the Chinese restaurant on the second floor.

After listening to Gu Mocheng's words, old Mrs. Jiang raised a sneer on the corner of her mouth.

Gu Mocheng's last words are for himself. Sheng Xu has given up su'an's lifeblood. Gu Mocheng knows that she will compensate her grandson with su'an.

I'm afraid that Gu Mocheng did the same thing at the party today. He is trying to make an example of others, especially for her old woman.

"Mom." Jiang Mei is on the second floor of Gu Mocheng and Su An'an. She looks at Su Zihan's swollen face and says to old lady Jiang.

Old lady Jiang glanced at her coldly and scolded, "stupid!"

At the beginning, Gu Mocheng proposed to Su's family. Jiang Mei's mother and daughter listened to the rumors and asked Su an to go to Gu's house instead of Su Zihan.

Now, my dear grandson is dead, and su'an is protected by Gu Mocheng. It's all done by these two mothers and daughters themselves.

"Mom, I didn't know he was Gu Mocheng." Jiang Mei looks around at the reporters who are still taking photos.

Old Mrs. Jiang beckoned the people behind her to drive away these journalists and media. The most important thing was to let them not write anything about it, which would affect Jiang's reputation.

However, this is Gu's hotel. Gu Mocheng allowed these reporters to come in, and they must add fuel to the story.

Gu Mo became a girl and offended the Su family, the Mu family and their Jiang family.

"Mom." Jiang Mei opened her mouth and wanted to talk again. Old lady Jiang looked at her coldly. "Go back to Jiang's house."

With that, she left the hotel with Jiang's family.

Su Zihan covers Jiang Mei's swollen face and cries, "Mom, why does grandma help Su An'an beat me?"

Su Zihan doesn't think that old lady Jiang is afraid of Gu Mocheng. In other words, old lady Jiang and Gu Zhen are the same generation, but Gu Mocheng is just a younger generation.

"Besides, how could that man be Gu Mocheng and how could he be!" Su Zihan thought of Gu Mocheng's good-looking face and said not willingly.

She thinks that the ugliness of Gu Mo's growth must be ugliness, not the appearance of the man just now.

What kind of beer belly and baldness have nothing to do with Gu Mocheng.

How could su an find a better man than Mu Jinyu!

"Ah" Su Zihan totally can't accept the truth. She screams like crazy and desperately steps on the ground. It's impossible. It can't be Gu Mocheng.

"Purple Han." Jiang Mei looks around at the shot of Su Zihan. She shouts and grabs Su Zihan's arm. "Let's go home."

"No, I'll go up and ask Suan, how could that man be Gu Mocheng?"

"Gu Mo grew up ugly. It must not be this man." How could su Zihan not accept the fact? Because she heard about Gu Mocheng's appearance, she forced su'an to take care of her family.

Now Gu Mocheng appears, which is not said to be ugly. On the contrary, Gu Mocheng is more charming than MOJIN Jinyu, which is much better than MOJIN Yu in any aspect. So, what is it?

She gave such a good man to suan'an. How could she be so happy?

"Su Zihan!" Look at Su Zihan and go to su'an. Jiang Mei calmly reminds her, "if Gu Mocheng says, you must remember for me."

"He said to pay you a hundred times is to pay you a hundred times. Don't mess with suan'an again." Today's banquet, Jiang Mei must be Gu Mocheng behind the plan.

They should not choose the Gu's hotel for the sake of their face. They have become the turtle in the urn of Gu Mocheng.

"Mom." Su Zihan doesn't agree with Jiang Mei's words, "Gu Mocheng is something I don't want to give to su'an."

www.onlinefreenovels.com

Jiang Mei hears the meaning in this words, she warns Su Zihan, "Zihan, the most important food you have now is to please your father-in-law and mother-in-law, and seize Mu Jinyu's heart."

When saying, Jiang Mei has already pulled Su Zihan to the hotel gate.

The reporters around them began to take the microphone and ask, "Miss Su Zihan, do you feel guilty about that child because you are afraid of being out of shape?"

"And this, Mrs. Su, do you acquiesce?"

One question after another, Su Zihan and Jiang Mei don't want to answer.

Because the hotel staff after Gu Mocheng's permission, no one came out for Su Zihan and Jiang Mei to block those reporters, and old lady Jiang left with her own people.

Su Zihan and Jiang Mei are surrounded by them. They can't walk out. They can only move forward slowly.

Suhua and MOJIN at the banquet were not very well. The reporters surrounded them on the banquet table.

The rest of them at the table watched the reporters come around and run away.

MOJIN and Suhua can't leave if they want to.

"What's the matter with you? Who allowed you in?" MOJIN was upset by the reporter's question and asked angrily.

www.onlinefreenovels.com

A reporter smiled, "we are invited by your Mojia."

MOJIN has nothing to say at once. It's not that Mojia invited all the journalists from Ningcheng to have a drink here.

However, they intended to let reporters come in to take more photos of the wedding and publicize the marriage of the Su family and the Mu family.

Who knows that in the banquet, the wedding ceremony did not start, there were two videos.

These two videos directly let all the focus turn to Su Zihan for himself, to kill the children and frame his sister.

"Mr. mu, do you want such a daughter-in-law?"

Someone asked MOJIN, and MOJIN was annoyed, "after the Mojia, she will marry the Su family."

Su Hua over there was also surrounded by reporters. The reporters here heard Mu Jin's reply and asked, "President Su, Mu family said that they would back away from marriage. Would you agree?"

Back out? Su Hua sinks face coldly, return a way, "Purple Han and Jin Yu already got card."

With a license, how easy is it to get out of marriage?

## Chapter 122

The Chinese restaurant on the second floor is very quiet. There are only two people in the hall, su'an and Gu Mocheng.

When she first came in, su'an was surprised that no one was here. Turning around, she saw Gu Mocheng beside her, and she understood.

He is the backstage owner of this hotel. He can arrange a good play here to give to Su Zihan and Jiang Mei. He can naturally package the whole restaurant on the second floor.

Seeing the delicious food on the table, su'an left Gu Mocheng and sat down in a hurry.

Gu Mocheng looked at her eagerness. Instead of being impatient, he thought she was cute.

He followed and sat opposite Suan.

Su An'an sat down and saw the red wine from Gu Mocheng's side. She couldn't help swallowing her saliva. She thought of the red wine she had drunk at Gu's old house last time. Although she was drunk, she didn't have a good taste when she was in a hurry. Anyway, in a word, she didn't drink too much.

Gu didn't look at suan'an's hungry eyes. He asked the waiter to open the red wine.

The dark red wine shakes in the transparent glass, which makes Suan miserable.

"Pour her a glass of boiling water." Gu Mo said to the waiter.

Boiled water? Su'an wondered. Gu Mocheng drank in front of her and asked her to drink boiled water.

Boiled water can be drunk at any time, but red wine is hard to drink.

Su an an lowers her head and looks at the boiling water in her cup. Her expression falls into Gu Mocheng's eyes.

Gu remembers drinking in Gu's old house, su'an and Gu Zhen. At that time, they thought su'an had been forced to drink a lot of wine by Gu Zhen. In the next few days, Gu thought something was wrong.

Now look at the appearance of Su An'an, I understand.

Where is she forced to drink by Gu Zhen? It's clearly her greediness. She deliberately used Gu Zhen's name to ask for wine and drink more.

Think of these, Gu Mo into the corner of his mouth can not help but hook up a smile.

Even if you know that little girl likes to drink red wine, Gu Mocheng doesn't even hate it so much. Even thinking of her drunk appearance, she has some expectations in her heart.

"Want to drink?" Gu asked, shaking the red wine in his hand.

Su'an raised her head, and when she heard Gu Mocheng's words, she almost blurted out the words "want to drink". She immediately thought of Gu Mocheng's girl who didn't like drinking. She shook her head.

"Don't want to drink."

"Oh." Gu Mocheng replied, "little girl can't drink."

www.onlinefreenovels.com

He said, Su An'an whispered back, "then you still sleep little girl."

Gu Mocheng is drinking. Su an says softly, but he hears it. Because of her words, the red wine in his mouth suddenly stuffs in, and then chokes to the trachea.

Seeing Gu Mocheng coughing, Su an hurriedly carries boiled water.

She patted Gu Mocheng on the back, and Gu Mocheng looked up at her worried face, feeling soft.

"Actually, it doesn't matter."

"Really?" Suan said, her eyes brightening.

"Don't get drunk." Said Gu Mocheng.

Suan nodded. "Grace."

She lowered her head to see Gu Mocheng's own eyes, inexplicably had an impulse to kiss him.

Anyway, there were only two of them in the restaurant. When thinking about it, su'an bent over and kissed Gu Mocheng's cheek, "honey, you are so nice."

It's not only Gu Mocheng who allows her to drink red wine, but also the event at Su Zihan's banquet this evening.

Gu Mocheng is in front of so many people, including Mu Jin and Su Hua, and he is innocent, which makes Su Zihan and Jiang Mei mad and helpless.

Thinking of Su Zihan and Jiang Mei's embarrassment at the party to turn off the doctor's video, Su An'an would like to applaud happily. Seeing her husband again, she felt more handsome.

After she has kissed, she plans to withdraw. Gu Mocheng reaches out and pulls her into his arms.

"I'd like to leave again!"

This girl always likes to flirt with him. She flirts half of the time and doesn't go on.

"Yes?" Su'an looks at Gu Mocheng in disbelief. She has to go back to her place to drink.

"Kiss me later. I'll kiss you for a minute."

As he spoke, Gu Mocheng's eyes became dark and dark. He put his arms around su'an's waist and let her sit firmly on her thigh.

Suan looked at his eyes, his heart beating faster, and his face was burning uncontrollably.

Where is she flirting with Mo Cheng, it is clear that he is flirting with himself.

"Husband." Su'an's voice is softer than before. Gu Mocheng hugs su'an more tightly.

"Bow your head." He said softly.

Suan lowered her lips just beside Gu Mocheng's.

Two people's breath intertwined, Su An'an's face was burning hot. While she was looking at Gu Mocheng's face, her lips were kissed.

The kiss became blazing in a moment. Su An'an's hand had been around Gu Mocheng's neck. She liked the feeling of being kissed by him. Her heart was full of happiness. This dinner has not been eaten, the two people first hug together and kiss sweetly. They see the waiter's face red. It's better to come in or not.

In the lobby, Gu Mocheng appears. The people in the restaurant already know that this is Gu Mocheng.

I think it's rumored that Gu Mocheng hasn't been a woman for ten years, but

the facts in front of him are totally contrary to the rumor.

Look at Gu Mocheng kissing the woman in her arms. She is in a hurry to get close to her.

After a kiss, Suan quickly got up from Gu Mocheng's arms. If it goes on like this, she doesn't think she has to eat supper.

The man in his arms suddenly left, and Gu Mocheng's arms were empty, which made him very uncomfortable.

He pulled his wrinkled coat, and his eyes fell on Suan, who had been kissed red and swollen by himself.

Su'an has poured the wine without looking at Gu mo.

Wine and Gu Mocheng, suan'an has automatically selected the former.

Gu Mocheng looks at suan'an's wine tasting with a light face. She is really like a little wild cat. Gu Mocheng felt more and more that his little wife was not as smart as he thought, and might be wild.

But that's it. Suan'an's temperament is different from what he imagined, and he doesn't feel disgusted.

"Drink slowly." Gu Mocheng took the dishes to su'an's bowl. "Tonight, you are allowed to have fun."

As soon as su'an heard Gu Mocheng's words, a smile appeared on her face.

Just say her husband is good, it's really good.

"Thank you, husband." Suan said something sweetly.

A "husband", she has called very Shun, listen to people are also very Shun.

"Yes." Gu Mocheng should be, the corner of the mouth overflowed a silk smile, and Su an together, his smile increased significantly, there is always a feeling of being stuffed.

Looking at su'an eating fast, Gu Mocheng asked, "hungry?"

"Grace." Su an an nodded and gradually let go of herself in front of Gu Mocheng. Facing the delicious food, she was very hungry. The main thing was that she didn't eat anything at the wedding banquet.

The wedding ceremony didn't start. I saw two videos, and then the wonderful performances of Su Zihan and Jiang Mei.

Speaking of this, su'an asked strangely, "husband, do you have the evidence that Su Zihan wronged me?"

As Gu Mocheng drinks, he looks at suan'an and asks, "wonder why I didn't show the video before?"

"Yes."

Su An'an nodded. She thought that Gu Fucheng had evidence to prove Su Zihan's slander when she went to Mu's house to testify for herself last time.

"They are not married." Gu Mocheng returns to the way.

Su An'an is stunned. She doesn't understand completely. Who hasn't got married? Is it su Zihan and Mu Jinyu?

## Chapter 123

Just now, Su Zihan seems to say that he and Mu Jinyu have obtained the certificate. This wedding is just a form, which does not affect their marriage.

"If it had been taken out early, the Mu family would have been able to quit the marriage easily." Gu then said, looking at suan'an, "don't you think they deserve it?"

Suan understood "en en". She agreed with Gu Mocheng.

Su Zihan and Mu Jinyu have been married in fact. Today's wedding video can't change the fact that they have been married even if it's broadcast. Then, Su Zihan and Mu Jinyu have made troubles.

Suan looks at her husband when she thinks about it. No wonder others say Mr. Gu can't be offended. It's true.

His means of revenge were not generally severe.

She had to learn from him so that no one would dare to bully herself.

"Husband, you are so good." Gu Mocheng saw adoration in suan'an's eyes. The girl's mind was simple, but she was not that kind of weak person.

He will protect his own women, but he doesn't like too weak women.

After drinking enough and eating enough, Su An'an reclined on the chair contentedly. Gu Mocheng is addicted to smoking. He goes to the window and smokes.

A good-looking man, even smoking are fascinating.

Suan sat up straight and stared at Gu Mocheng with her chin up.

I always feel like I'm in a dream, so I can meet such a good man as Gu Mocheng.

Gu Mocheng smokes a good cigarette and sees Su an staring at herself. The little girl's smile is full of tenderness in her eyes, which makes Gu Mocheng's heart startled.

"Let's go." He said aloud.

"Oh." Su'an responds and follows Gu Mocheng.

She didn't drink too fast last time. Gu Mocheng only let her drink one cup. She didn't have an addiction, but solved it. Most of all, she likes to listen to Gu Mocheng.

Two people went out of the Chinese restaurant, Gu Mocheng stood at the door of the elevator, and pressed the up arrow, "husband, it's wrong."

Gu Mocheng looks back at suan'an, who is dyed red because of drinking. When the elevator door is opened, he turns around and holds her in his arms.

"No."

He took the man into the elevator and pressed the number on the top floor.

She did not ask where she was going. Anyway, it would be good for Gu to take her there.

She leans against Gu's chest, her ears right next to his heart.

The smell of tobacco filled her nose, and her heart beat beat in her ear, which made her upset.

It's nice to have a loved one with you at night.

Su'an is led to the door by Gu Mocheng. She looks up at Gu Mocheng who is using the card to open the door and asks, "honey, are you taking me to open the room?"

She said that Gu Mocheng had bowed his head.

Her crimson face, shy expression and tenderness in her eyes are all teasing Gu Mocheng's lust.

Gu doesn't want to restrain himself. He has determined that su'an is the woman of his later life. He kisses the past, and this time it doesn't end so quickly.

They kissed each other, and each tasted tobacco and wine in the other's mouth.

After kissing, the suan'an people have fallen on the bed. Her clothes have been taken off by Gu Mocheng. What to do after that is clear to her.

Shyness at the same time and Gu Mocheng things more than a share of expectations.

"Ann." Gu Mocheng called in her ear.

Su'an hugged him, smiled in his ear and said, "Gu Mocheng, I love you."

She is no longer in love with him, but in love.

From having him, her life has become full and wonderful. In the future, she is the little wife he likes and the thing he likes.

Two people on the bed were rolling. I don't know how long it took. The night was completely dark, and Su an fell asleep tired.

Gu Mocheng, who was beside her, was not asleep. Looking at su'an's sleeping face, he heard his heart beat and jumped vigorously.

Love little girl?

Gu Mocheng, who hasn't tasted love for many years, can't tell whether he is in love or not. He only knows that he has to be very good to her, and no matter who bullies her, he has to stop for her.

Su An'an was awakened by the outside movement. She opened her eyes in a daze and saw Gu Mocheng's face in front of her.

"Ann."

When he called out to himself, it was light outside.

Suan turned her head and looked out.

The hotel suite and the outside world are separated by a transparent glass, and the gorgeous outside is reflected in su'an's eyes.

Su An'an was surprised to see all the fireworks in the sky. They were beautiful and gorgeous.

She had no sleep, Gu Mocheng hugged her from behind her, and his voice whispered in her ear, "is it nice?"

"It's you who prepared it," she asked, looking back in surprise

Instead of answering her questions, Gu said to her, "Ann, happy birthday!" A word broke down Suan's inner defense line, and tears came out of her eyes.

Happy birthday!

Even Suan forgot her birthday.

How many years has she not had a birthday or celebrated with her family. Since her sister's accident, she has never eaten cake or received a birthday gift from her family.

Suhua didn't give her a birthday or a present.

It's only my sister's.

Fu Xin will prepare a gift for her every year and say happy birthday to her.

Fu Xin is a friend, not her family.

He is her husband.

Gu Mocheng suddenly said "Happy Birthday" how can't she be moved to cry?

"What are you crying for?" A word let the little girl shed tears, Gu Mocheng frowned and asked nervously.

Is the gift prepared too bad, or does she dislike it?

"I think my life is too good." Su an an said with tears in her eyes.

Gu Mocheng laughed at su'an's explanation.

"A birthday present will buy you off."

Suan nodded, of course.

Gu Mo became more than just a gift. No wonder he would come to the hotel to pick him up immediately after he was busy with business. No wonder he would take her to the restaurant for dinner, allow her to drink red wine, and take her to the top floor to open a room.

All he did was to pave the way for this "Happy Birthday".

His gift is more than just the gorgeous fireworks out of the window.

"No, my birthday isn't today. The gift you give doesn't count." Su An'an remembers her birthday after su Zihan's wedding, she said. "You have to send it again tomorrow."

"is that right?" Gu said, putting his watch in front of suan'an.

"0:10." Su An'an reads the above time and smiles at Gu Mocheng.

Gu did not make a mistake. His gift to Suan was in the early hours of the morning.

Su An'an is stunned. He doesn't know what to say to Gu Mocheng.

"Thank you." she has said it too many times. Since she doesn't know what to say, it's better to kiss him well.

When she thought about it, people had climbed onto Gu Mocheng's body, and she lowered her head and kissed him.

After a kiss, Gu said, "it's too late, you can't bear it."

Gu Mocheng was worried about su'an's body. Su'an was upset and said, "I can take it."

"Honey, you can't take it."

This sentence of suan'an is just looking for death. "An'an, this is what you ask for."

Gu Mocheng warned that suan'an looked at his face, smiled and nodded.

## Chapter 124

She followed the initiative to lean down and kiss Gu Mocheng again. This time, Gu Mocheng would not let her go after kissing, turn over and press her on the body, and love her well.

The temperature in the suite rises again, two people entwine with each other, happiness and sweetness have been breaking into their hearts.

This night is beautiful for suan'an. It's crazy for Su Zihan.

Jiang Mei drags Su Zihan back to Su's house. When she comes back to Su's house, Su Zihan doesn't change her wedding dress. She rushes into the living room and smashes everything she sees to the ground.

For a while, there was a mess on the ground. After Jiang Mei saw that Su Zihan was so crazy, she hurriedly stopped him. "Zihan, don't smash it, your father will be angry when he comes back."

Su Zihan doesn't care if Su Huasheng isn't angry. She just knows she's going crazy.

Suan, damned bitch.

Thinking of Su An'an, Su Zihan is full of anger in her heart. She smashes all the things around her. Her eyes fall on the big vase in the living room, and then smashes it when she goes.

It was Suhua who spent a lot of money in the auction. Jiang Mei hurriedly said, "Zihan, that vase is your father's heart. You can't smash it."

Jiang Mei Li tone, Su an is not in the Su home, Su Zihan to smash the vase, no one can find planted stolen.

Su Zihan doesn't listen, she only knows she wants to vent.

When she reached out to push the vase, Jiang Mei's face changed. She stepped up to her to stop it, but it was too late.

"Pa" to a, the ground is all vase pieces, see Jiang Mei eyelids constantly jump.

Her face sank down, see Su Zihan again to smash other things, snapped, "Zihan enough."

Su Zihan's anger hasn't been fully released. How can he smash such a thing!

"Mom." She said unhappily, "why don't you help me, suan'an, who has hurt me?"

Jiang Mei didn't help her, and even the old lady slapped herself in front of so many people.

"Why don't I help you?" Asked Jiang Mei.

When she saw the doctor's video at the wedding banquet, she panicked and hurriedly wanted to stop the video from broadcasting. In order to get to the stage, she also let herself fall in front of all the guests.

"Zihan, you don't want to be willful anymore." Jiang Mei advised, "this is already the case. It's no use smashing everything here."

Su Zihan only knows that she doesn't feel comfortable, and the tone in her heart suffocates her to death.

"No." She angrily returns to Jiang Mei and smashes the things in her hand to the ground.

Jiang Mei looked at the debris on the ground, and her face was cold. She spoiled her daughter too much.

Then Su Zihan wants to find something to smash. Jiang Mei comes to her and swings her hand to hit her.

"Enough."

Su Zihan felt that she had been wronged enough. First, the video from the party, then Mu Jinyu kicked her, and then old lady Jiang slapped her.

Now, Jiang Mei, the mother who loves her most, beat her.

The tears rolled out of Su Zihan's eyes, "Mom, even you want to hit me."

She's very aggrieved. It's not Suan. Why are those videos released?

And Gu Mocheng, how could that man be Gu Mocheng!

Gu Mo did not grow up ugly, on the contrary, he was the kind of man who could make women go on and on, leaving Mu Jinyu far behind.

"Purple Han." Seeing Su Zihan crying, Jiang Mei holds her in her arms painfully, "Mom didn't mean to hit you."

"Mom knows you've been wronged, but it's useless for you to smash this place. It will make your father angry instead." Jiang Mei analyzed, "how can you tell your father about this pile of debris?"

"You don't know your father's temperament. What do you think he will do now that you've made him lose face and smashed his antique vase?"

After smashing things, Su Zihan, who calmed down a little, was afraid of Jiang Mei's words.

www.onlinefreenovels.com

"Mom." She called out, aggrieved.

Jiang Mei wipes out Su Zihan's tears, "Zihan, you can't be so willful anymore. You are the daughter-in-law of Mu's family now.

As for today's event, it's impossible for mu family to ask for Su Zihan. Mu Jinyu and Su Zihan have already got the certificate. It's impossible to play with her daughter to return people so simply.

"If Suan were here, she would have broken the vases." Jiang Mei added that it is not the first time to frame su'an.

"It's time you smashed Suan's room." Jiang Mei followed.

Su Hua won't say anything more when he smashes the room in suan'an.

At Jiang Mei's suggestion, Su Zihan turns around and runs to Su an's room. Yes, I've smashed all of Suan's rooms and let her come back and sleep outside.

Su Zihan ran to the stairs on the second floor and stopped.

She looked at the corridor leading to suan'an's room on the second floor, and then looked upstairs. "Zihan, where are you going?" Jiang Mei looks at Su Zihan and runs to the top floor. Thinking of Su ruocheu on the top floor, she asks in a hurry.

Su Zihan is not going to the top floor to vent Su an's anger on Su ruocheu. Go to find Su ruocheu to settle accounts.

"Zihan, you can't go to the top floor." But Jiang Mei can't shout Su Zihan at all.

Because Su Zihan thinks of the way to make su an suffer, she doesn't care that Su Hua forbids her and Jiang Mei to go to the top floor.

Su Zihan has been to the top floor several times, but never to Su ruocheu's room.

Every time I go to the top floor, I am either scared to leave by the darkness and coldness of the corridor, or I am seen by Suhua or Jiang Mei and drink her to leave.

Now, angrily, she walked on the corridor on the top floor, looking at the dark corridor, and was afraid.

Such a ghost place is very suitable for su'an's crazy sister.

Su Zihan slowly pushed the door in, because it was at night, with the light on, it was quiet.

He ma is carrying a bowl to Su ruocheu. She looks towards the door when she hears the news.

Su Zihan stands at the door and sees Su ruocheu on the bed. She takes a look and is surprised at Su ruocheu's appearance.

It's similar to suan'an, but Su ruocheu is more beautiful than suan'an.

Su ruocheu's facial features are very delicate, because she stays in the house all year round, her skin is very white, and she is as beautiful as the person in the painting, but she is thinner and her eyes are a little dull.

"Purple Han." Jiang Mei catches up and sees Su Zihan at the door, calling for Tao.

"Let's go down." Jiang Mei took Su Zihan's hand and said.

Su Zihan looks at Su ruocheu and thinks of su'an. She throws off Jiang Mei's hand and rushes in directly.

Su ruocheu felt Su Zihan come in, she raised her head and looked at Su Zihan stupidly.

Su ruocheu's eyes suddenly make su Zihan think of Su An'an, their two sisters' eyes are too similar.

"Why did you come in, second lady?" "You can't come here," he ma asked

Su Zihan didn't speak. She looked down and saw the bowl held by he ma. Then she looked at Su ruocheu and threw the bowl to the ground.

"Eat, eat, and you're a lunatic!"

Su ruocheu is a madman, but he is a beautiful madman.

Su ruocheu didn't respond. She just lowered her head and played with her fingers.

Being ignored by Su ruocheu, Su Zihan suddenly thinks of the things on her wedding. "Su'an, you think you've followed Gu Mocheng, I can't help you! I'm going to recover the humiliation you've made me suffer today from this madman. "

As she said this, Su Zihan had raised her hand. She wanted to shake Su ruocheu's palm and beat Su ruocheu as Su An'an.

## Chapter 125

"Second miss, what are you going to do?" He ma saw that Su Zihan wanted to fight Su ruocheu, and said aloud.

Su Zihan, who has a stomach full of anger, pushes his mother away. She stares at Su ruocheu on the bed. Her eyes are colder and her hands are on Su ruocheu.

"Purple Han." When Jiang Mei raised her hand, she had already stepped forward. Before Su Zihan's hand fell, she grabbed Su Zihan's hand first.

"Have you had enough trouble?"

Su Zihan really went too far, smashed the antique vase of Su Hua, and even dared to run to the building to fight Su ruocheu.

Although Su ruocheu is a madman, he is also Suhua's eldest daughter. This daughter still has a pivotal position in Suhua's heart. Besides, Suhua is now begging for Gu Mocheng.

Hit Su ruocheu, how does Su Hua let go of Su Zihan?

"No." Su Zihan replied in annoyed voice, "it was su an who hurt me. But for her, my wedding would be like this. She's nothing. She thought that if she followed Gu Mocheng, she could ride on my head. "

Jiang Mei said coldly, "she has been riding on your head."

This is the fact, the most unacceptable fact of Su Zihan.

She has always bullied Su An'an, robbed Su an's clothes, robbed Su Hua's favor, robbed Mu Jinyu, the man.

Now, it's su An'an who climbed on her head, causing her wedding to fail, disgusted by her admiring family, reported by media reporters crazily, and teased by everyone in Ningcheng.

This was all brought about by suan'an.

She can't find Suan, so she can only deal with her crazy sister.

"If you didn't listen to the rumors and think that Gu Mo was ugly, you would rather die than marry him to Gu's house. Now where will Suan be at your mercy? " Jiang Mei said in a cold voice.

"I don't care." Su Zihan said angrily, "su'an, a bitch, can't ride on my head even if she follows Gu Mocheng."

"For what she is, she is a bitch."

Su Zihan scolds Su An'an for being a "bitch". She frowns at Su ruocheu, whose head is lowered.

"Then what do you want?" Jiang Mei asked, "forget it. Gu Mocheng said in front of so many reporters that su'an is his wife."

"At this point, Zihan is no match for su'an."

Listening to Jiang Mei's words, Su Zihan clenched his fist.

"Unless."

before Jiang Mei finished, Su Zihan asked anxiously, "unless what?"

"Unless you snatch him from Suan."

However, Gu Mocheng will not like Su Zihan. Jiang Mei is very sure.

At this point, Jiang Mei has an idea.

Zihan doesn't work. That doesn't mean no other girl can replace su'an.

Hearing Jiang Mei's words, Su Zihan thought of Gu Mocheng's beautiful face, and thought that Jiang Mei's words were feasible, but later thought that Gu Mocheng had let people slap themselves ten times, just in the lobby for her cold face, Su Zihan was afraid of Gu Mocheng.

"Mom, he won't like me." Su Zihan has self-knowledge.

Jiang Mei looks at Su Zihan, then at Su ruocheu, who is on the bed and is looking at the quilt attentively. "He doesn't like you. We will find the type Su an likes for him."

"Zihan, don't worry about everything. Just because Suan is on your head now doesn't mean she can hold you down for the rest of her life. "

Listen to Jiang Mei's words, Su Zihan's anger subsided.

Jiang Mei takes Su Zihan out of the top floor room. She stares coldly at his mother and says, "you are not allowed to reveal half a word in front of the master this evening."

He Ma was afraid of Jiang Mei and said, "I know, ma'am."

She is a servant and dare not offend her wife.

After Jiang Mei and Su Zihan left, he ma saw Su ruocheu's dinner overturned. She went downstairs to serve another bowl.

Su ruocheu watched them all leave, got out of bed and went to the window to watch the dark night outside.

Because Suhua was afraid that she would jump from the window, even the windows were railed.

She's been trapped in this house for seven years, seven years. It's really too long.

Soon, Suhua came back. The reporter at the banquet kept staring at him and asked him what Su Zihan thought of her father for doing such a cruel thing?

What do you think?

Su Hua was so angry that she wanted to slap her hand on Su Zihan's face.

He loved her as if she were the apple of his eye. She even did such a cruel thing, which made him lose face.

He came back with a cold face. The living room had been cleaned by the servants. Jiang Mei, who was sitting on the sofa, stood up and greeted him with a smile.

"Back."

The smile on her face made Suhua more angry. Up to now, this woman still regards nothing as happening.

He didn't think much about it. He hit Jiang Mei in the face.

A slap in the face of Jiang Mei. This is the second time Su Hua hit her. The first time was 16 years ago. She took Su Zihan to the hospital to see Su an's mother, the woman named He Qing.

She proudly shows off her love for him Qing and Su Hua, and shows off how Su Zihan got Su Hua's love.

After leaving, he Qing's condition suddenly worsened, and soon died.

On the night he Qing died, Su Hua came to her side.

Hearing that her rival was dead, Jiang Mei was so happy that she didn't feel that he Qing was the one who killed her.

She felt that the opportunity to be righted had arrived, for example, as a daughter of the Jiang family, she had been Su Hua's lover in her own right, which was really a grievance.

Unexpectedly, as soon as Su Hua saw her that day, he didn't say anything with a cold face and directly hit her in the face.

The strength of that slap was so heavy that Jiang Mei's mouth was bleeding.

Although Su Hua soon married her, she and Su Zihan were brought into Su's house.

However, Jiang Mei still remembers Su Hua's look and slap that night.

"Husband." Now it's the second time to call Suhua. Jiang Mei covers her face and tears sadly.

"I'm sorry, I've disgraced you."

Jiang Mei is a smart person. The video at the party confirms that she and Su Zihan wronged Su an with their children, and then cry with Su Hua about Su an's mistake. Su Hua can't listen to it.

Just admit it.

Su Hua went to the sofa with cold face. He took out his cigarette and asked in a cold voice,

"zihana."

Jiang Meixin knows that Su Hua will find Su Zihan to be angry when she comes back, so she lets Su Zihan go upstairs to sleep and blocks Su Zihan

from below.

"Zihan knew that she was wrong. She came back and cried for a long time. She said that she let her father lose face."

Is it a disgrace? Su Hua looked at Jiang Mei coldly and said, "you really taught a good daughter!"

Willful to the extreme, selfishness is very, unexpectedly do not want their own children, but also put the blame on suan'an.

"I'm sorry, honey." Jiang Mei said, "it's our fault."

"Zihan is always afraid that An'an will take mujinyu away. She loves mujinyu so much that she thinks of putting the children's affairs on su'an."

"Since I love you so much, how can I kill the child?" Suhua sneered.

In a word, Jiang Mei didn't know what to say.

"Zihan and mujinyu have got the certificate. The Su family is not suitable for her."

It's impossible for the Mu family to back out.

Jiang Mei also means this. After today's event, Zihan's reputation stinks. Besides, she has already had a relationship with mujinyu. She pays attention to heirs and innocence in famous families. No one likes Su Zihan.

Therefore, Su Zihan must enter the door of Mojia.
